Eagle Lake, 2014

During the week of July 19-26 we had two separate families and two other club members head to Eagle Lake Ontario for our club trip. The groups were split with some staying at Cedar Point Lodge and others Birchdale Lodge. The weather was perfect the whole week with only a little rain one evening after dinner and no major wind days. Fishing was good for walleyes but slowed by a major mayfly hatch due to our colder spring and summer. Even so my family which included 4 kids under the age of 13 easily caught well over 500 fish. We caught 120 walleyes fishing just a few hours each morning and evening for them and spent the rest of our day chasing jumbo perch, northerns and checking out new spots with the kids. Northern and perch fishing was excellent. Great times were had by all and everyone was impressed with the resorts.

Hope you can join us next year!

Sept. 12, 2014 - Fish Fry Fundraiser at St. Paul's Lutheran Church. 2126 N. Sherman Ave. Madison, WI

This is the club's biggest fund raiser, last year getting around \$2000 for the club. We work with the church which hosts two of these events. We get the proceeds which is then matched by the Thrivent Financial company. Jack Hurst will give an overview of this activity at the August 12th on the water meeting, and will have tickets. Please let Jack know if you want to help, or Dave Dahl know if you can help frying the fish or cleaning up the unit the following day.

More from Eagle Lake, 2014

Just came back from Canada YFC trip. Cedar Point Lodge hospitality was awesome! As we parked by the office, Patrick came out to meet us. He took us into the dining room for a beer and registration. Then the dock boys unloaded our truck and carried everything into the cabin. After that Pat launched the boat. Later, he took us on a tour of the lake and showed us some fishing spots. When we checked out, same thing in reverse. Unbelievable!

Fishing was good, photos are one days catch. Highly recommend returning next year.

OUTINGS UPDATE August 2014

August –you are on your own.

September outing on lake Erie depends on interest. This is for Walleye and Perch, Smallies as collateral damage – I have booked the charter as we have 4 persons interested to date. This is a long weekend charter Friday and Saturday, arrive Thursday, Sept. 18th, fish Friday and Saturday, depart Sunday. It's about a 7 hr. drive to Port Clinton. This is with Captain Hooks (Captain Pete) out of Sandusky/Port Clinton. The rate for 3 nights lodging (Condos on a 25 acre lake) and 2 day fishing is \$295.00 per person. A fishing license for the US side is \$11.00 per day, if the best fishing is on the Canadian side, the license is \$22.00 per day, Captain Pete prefers the US side but he will go where the fish are. The daily limit on Walleye is 6, no possession limit, for Perch it is 30 daily, no possession limit.

If there is not enough interest, alternatively we could hit the Milwaukee harbor for Salmon. Please contact me ASAP if you plan on going to Lake Erie or I will have to cancel the Lake Erie outing.

Oct. 18th, a Saturday. Usually a great time to fish the Barge out of Genoa. However the last trips have been plagued by excessive weeds floating down the river making fishing very difficult at best. This is still a possible, but if the weed report is not good, we may opt for hitting the local waters for a one day outing.

Nov. 8th a Saturday. One day outing to Lake Wisconsin for Walleye and Sauger. More detail as we get closer to the date

Yahara Fishing Club

I did a guided fly fishing trip on the Lower Wisconsin River with Black Earth Angling. Kyle Zemple, the guide, was great. He was knowledgeable and patient and put us on fish. I was able to develop ability and confidence to put the fly where it was needed and caught about a dozen smallies. The largest were about 18". It was a great day.

Columbus Day Smallie outing in Door County Organized by the Rock Valley Anglers

Just an FYI for everyone considering going on the Columbus day outing, The hillside hotel only has 6 rooms left for both the columbus day and fall festival day weekends!!!!

These rooms will go very fast and you need to book your room now before they are all gone. This is the peak of the Door County fall tourist season so there will be many non fishermen also looking to get rooms in the weeks to come and usually by the end of August getting a room on the peninsula is almost impossible.

The contact number is on our club newsletter as they are one of our premium sponsors, so give Gordy a call and reserve your room before they are all gone!!!!

The Hillside Inn is the perfect destination for all of your Door County fishing trips and family get aways. Found in the heart of the northern Door, the Inn has great access to Ellison Bay, Rowley's Bay, and Gill's Rock harbors as well as Washington Island. The Inn has ample parking for your truck and trailers, as well as electrical service for your recharging needs. Inside the Inn there is a restaurant and bar to relax and enjoy after a great day on the water.

Went fishing last week on Lake Mendota with YFC members Gene and Roger. I boated (and released) this PR 20" smallmouth. Gene caught a keeper wall-eye and Roger a nice LMB. Rich Connor
